

Body Sensor Networks

uMuse

Chris Mower
Kuo Wong

Ideas (last week)

- Determine what constitutes interaction
- Optional questionnaire when signing up; for museum to collect data and make suggestions
- Virtual comment board (like/dislike)
- Ping a friend: “where are you?”
- Location map: floor plan
- Follow in a friends footsteps/create your own tour

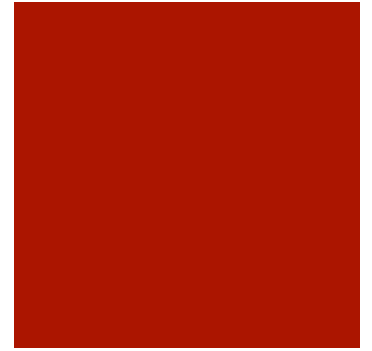

Ideas

- **Determine what constitutes interaction**
- ~~Optional questionnaire when signing up; for museum to collect data and make suggestions~~
- **Virtual comment board (like/dislike)**
- Ping a friend: “where are you?”
- ~~Location map: floor plan~~
- Follow in a friends footsteps/create your own tour
